Lýsing / Course description:

At the beginning of the term, the teacher will provide a list of books. Each student will choose five to seven* books from this list and read them independently. Students will have an individual oral discussion/interview with the teacher about their book of choice at a scheduled meeting every two to three weeks (approximately). Students will be assessed based on their comprehension of the selected books (see grading rubric on page 3), as well as their skill in verbally articulating their thoughts in the English language. Students may sometimes be required to complete a short written exam on the book they have read at the beginning of the meeting.

Þekking, leikni, hæfni / The aim of this course is to help students...

- ✓ develop independent reading skills
- ✓ critically evaluate and analyze books
- ✓ identify key ideas and themes
- ✓ improve English grammar and syntax and build vocabulary
- ✓ practice effective oral expression in English through discussion
- ✓ gain insights into different perspectives through reading novels and biographies by diverse authors from different backgrounds
- ✓ develop a lifelong love for reading for pleasure (hopefully 😊)

Námsmat / Course evaluation:

In order to successfully complete the course, students must demonstrate their understanding of the books they have read. This requires reading *all* the five to seven* selected books before their scheduled appointment with the teacher. Failure to show sufficient knowledge and comprehension of the books will result in an unsatisfactory grade.

Work in the course will include:

1. **Choice book one** (15%): Interview with teacher **September 4-8**
2. **Choice book two** (15%): Interview with teacher **September 18-22**
3. **Choice book three** (15%): Interview with teacher **October 9-13**
4. **Choice book four** (15%): Interview with teacher **October 30-November 3**
5. **Choice book five** (15%): Interview with teacher **November 13-17**
6. **Choice book six** (15%): Interview with teacher **November 27-1 December**
7. **Choice book seven** (10%): Interview with teacher **11-13 December**

Námögögn / Course material:

The teacher will provide an extensive list of English books (novels, memoirs, and plays) to choose from at the beginning of the term. Please note that two teachers will be instructing this course, each with their own list of books to choose from. Students will stick with the same teacher and same list throughout the term.
